

City of Cherry Hills Village Stormwater Construction Permit Application	***OFFICE USE ONLY*** Permit Number: _____ Date Submitted: _____ Final Stabilization Date: _____
	2450 E Quincy Avenue, Cherry Hills Village, CO 80113 (303) 789-2541 www.cherryhillsvillage.com
<i>A Stormwater Construction Permit is required for all land disturbance activities equal to or greater than one (1) acre OR for lots adjacent to waterways pursuant to Cherry Hills Municipal Code Chapter 19 "Stormwater Quality and Control"</i>	

NOTE: This permit is separate from any permits required by the Colorado Department of Public Health and Environment (CDPHE), Water Quality Control Division under the Colorado Discharge Permit System. Please visit the following link for CDPHE permit information:
<https://www.colorado.gov/pacific/cdphe/wq-construction-general-permits>

If required, the CDPHE permit must be approved and submitted to the City before the City Stormwater Permit can be issued. Please note that a City Stormwater Permit is required to be issued prior to any associated building permits being issued.

Stormwater Construction Permit Fees

Administration Fee: \$300.00

This fee covers costs incurred by the City for administration and periodic inspections of the construction site over the duration of the project. This fee is due at the time of application submittal.

Plan Review Fee: \$390.00 for up to 2 hours of review by the City Engineer, and \$195.00 for each additional hour

This fee covers costs incurred by the City for the review of the application submittal. The initial \$390.00 is due at the time of application submittal and any additional time incurred for plan review is due before the permit is issued.

Performance Bond: \$1,000.00 or actual cost of construction of all BMP's (Initial, Interim, and Final), whichever is greater

This bond will be due upon civil engineering approval. It covers possible costs in the event the City is required to perform any work to bring the construction site into compliance with the approved Stormwater Management Plan and/or Grading, Erosion, Control Plan and all applicable stormwater laws and regulations.

NOTE: CHV Construction Stormwater Permits are issued for a two-year (24 month) term. Re-application or renewal may be required for projects exceeding this period as well as bond renewal.

(1) Project Information	
Project Name:	
Address/Location:	
Owner:	
Phone:
