A Stormwater Construction Permit is required for all land disturbance activities equal to or greater than one (1) acre OR for construction activity within one hundred (100) feet of the boundaries of a watercourse or wetlands pursuant to Cherry Hills Village Municipal Code Section 19 "Stormwater Quality and Control"

NOTE: This permit is separate from any permits required by the Colorado Department of Public Health and Environment (CDPHE), Water Quality Control Division under the Colorado Discharge Permit System. **If required, the CDPHE permit must be approved and submitted to the City before the City Stormwater Permit can be issued.** Please visit: <http://www.cdphe.state.co.us/wq/PermitsUnit/stormwater/index.htmlform>

Stormwater Construction Permit Fees

Administration Fee: \$300.00

This fee covers costs incurred by the City for administration and periodic inspections of the construction site over the duration of the project. This fee is due at the time of application submittal.

Plan Review Fee: \$390.00 for up to 2 hours of review by the City Engineer, and \$195.00 for each additional hour:

This fee covers costs incurred by the City for the review of the application submittal. The initial \$390.00 is due at the time of application submittal and any additional time incurred for plan review is due before the permit is issued.

Performance Bond: \$1,000.00 or actual cost of construction of all BMP's (Initial, Interim, and Final) whichever is greater:

This bond will be due upon civil engineering approval. It covers possible costs in the event the City is required to perform any work to bring the construction site into compliance with the approved Stormwater Management Plan and/or the GESC plan and all applicable stormwater laws and regulations.

NOTE: CHV Construction Stormwater Permits are issued for a two-year (24 month) term. Re-application or renewal may be required for projects exceeding this period as well as bond renewal.
