

High Line Canal

underpasses at Hampden and Colorado

Photo courtesy of the High Line Canal Conservancy

Also at this community open house will be a presentation on

CDOT's Hampden Paving project from 5:30-6:30 pm

Both project teams will be available for the entire meeting from 5:30 to 7:30 pm to discuss the projects.

**Wednesday
May 15, 2019**

Temple Sinai
3509 South Glencoe Street

6:30-7:30 pm

The community is invited to view the underpass designs at Hampden and Colorado Boulevard. This safety enhancement will alleviate the need for trail users to interface with traffic at the busy intersection. The open house will enable the community, trail, and park users to discuss the vision with the project team.

Designers, City and County of Denver, Cherry Hills Village and Arapahoe County representatives will be on hand to discuss the project, answer any questions and gather community input.
