Stormwater Construction Permit Fees

Administration Fee:

\$300.00

This fee covers costs incurred by the City for administration and monthly inspections of the construction site over the duration of the project. This fee is due at the time of application submittal.

Plan Review Fee:

\$300.00 for up to 2 hours of review by the City Engineer, and \$150.00 for each additional hour

This fee covers costs incurred by the City for the review of the application submittal. The initial \$300.00 is due at the time of application submittal and any additional time incurred for plan review is due before the permit is issued.

Performance Bond:

\$1,000.00 or actual cost of construction of all BMP's, whichever is greater

This fee will be due upon approval. It covers possible costs in the event that the City is required to perform any work to bring the construction site into compliance with the approved Stormwater Management Plan and all applicable stormwater laws and regulations.
