## **EXHIBIT A**

### **Colorado Communications and Utility Alliance Customer Service Standards (Revised June 18, 2013)**

#### **Introduction**

The Colorado Communications and Utilities Alliance ("CCUA") has created the following Customer Service Standards (the "Standards") for distribution and adoption by Members. The purpose of the Standards is to establish uniform requirements for the quality of service cable operators are expected to offer their customers in the metropolitan area. The Standards are subject to change from time to time.

The Franchise Authority encourages the Cable Operator to exceed these standards in their day-to-day operations and as such, understands that the Cable Operator may modify their operations in exceeding these standards.

The Standards incorporate the Customer Service Obligations published by the Federal Communications Commission (Section 76.309), April, 1993 and customer service standards of cable television service providers operating in Colorado. Based upon the CCUA's assessment of the needs of citizens in its members' jurisdictions, the CCUA adopted, modified and created standards specially tailored to members of the CCUA communities.

The Standards require the cable operator, in certain circumstances, to post a security fund or letter of credit ensuring Customer Service. The security fund is to be used when the cable company fails to respond to a citizen complaint that the franchising authority determines is valid, and to provide a mechanism by which to impose remedies for noncompliance. It is the sincere hope and intention of the CCUA that the security fund will never need to be drawn upon; however, the CCUA believes that some enforcement measures are necessary.

### **COLORADO COMMUNICATIONS AND UTILITIES ALLIANCE CUSTOMER SERVICE STANDARDS**

#### **I. POLICY**

The Cable Operator should resolve citizen complaints without delay and interference from the Franchising Authority.

Where a given complaint is not addressed by the Cable Operator to the citizen's satisfaction, the Franchising Authority should intervene. In addition, where a pattern of unremedied complaints or noncompliance with the Standards is identified, the Franchising Authority should prescribe a cure and establish a reasonable deadline for implementation of the cure. If the noncompliance is not cured within established deadlines, monetary sanctions should be imposed to encourage compliance and deter future non-compliance.

These Standards are intended to be of general application, and are expected to be met under normal operating conditions; however, the Cable Operator shall be relieved of any obligations hereunder if it is unable to perform due to a region-wide natural emergency or in the event of force majeure affecting a significant portion of the franchise area. The Cable Operator is free to exceed these Standards to the benefit of its Customers and such shall be considered performance for the purposes of these Standards.

These Standards supercede any contradictory or inconsistent provision in federal, state or local law (Source: 47 U.S.C. § 552(a)(1) and (d)), provided, however, that any provision in federal, state or local law, or in any original franchise agreement or renewal agreement, that imposes a higher obligation or requirement than is imposed by these Standards, shall not be considered contradictory or inconsistent with these Standards. In the event of a conflict between these Standards and a Franchise Agreement, the Franchise Agreement shall control.

These Standards apply to the provision of any Cable Service, provided by a Cable Operator over a Cable System, within the City of Cherry Hills Village, Colorado.

Alternatively, at the Cable Operator's discretion, it may provide to the Franchising Authority an irrevocable letter of credit in the same amount. A letter of credit or cash deposit, with the approval of the Franchising Authority, may be posted jointly for more than one member of the CCUA, and may be administered, and drawn upon, jointly by the CCUA or drawn upon individually by each member; provided however that if such letter of credit or cash deposit is provided to CCUA on behalf of more than one of its members, the letter of credit or cash deposit may, in the sole discretion of CCUA and its effected members, be required in an amount not to exceed one hundred thousand dollars (\$100,000).

The escrowed funds or letter of credit shall be maintained by a Cable Operator at the amount initially required, even if amounts are withdrawn pursuant to any provision of these Standards, until any claims related to the alleged Franchise violation(s) are paid in full.

2. The Franchising Authority may require the Cable Operator to increase the amount of the Security Fund, if it finds that new risk factors exist which necessitate such an increase.

3. The Security Fund shall serve as security for the payment of any penalties, fees, charges or credits as provided for herein and for the performance by a Cable Operator of all its obligations under these Customer Service Standards.
