- Warning Regarding Coronavirus Scams -

The Cherry Hills Village Police Department wants residents to be aware of increased efforts by scammers to take advantage of the coronavirus pandemic. These scams involve offers of free testing kits delivered to your home to protect your loved ones from the coronavirus, offering cleaning services purported to eliminate the virus from the air in your home or claiming to have a vaccine kit for the coronavirus.

At this time there are no legitimate vaccines for the coronavirus (COVID-19) and the World Health Organization is not distributing any vaccines.

The Cherry Hills Village Police Department wants to remind residents

- To be wary of any business, charity, or individual requesting payments in cash, by wire transfer, gift card or through the mail.
- Never share your personal or financial information over email, text message or over the phone.
- Government agencies will never call you to ask for money.

The Justice Department requests that Americans report suspected fraud schemes related to the coronavirus by calling the National Center for Disaster Fraud (NCDF) hotline at 1-866-720-5721 or by emailing the NCDF at disaster@leo.gov.
