Dear Candidate:

The City of Cherry Hills Village wishes to take this opportunity to advise political candidates about the placement of campaign signs and placards along City streets and rights-of-way. Temporary political signs may be erected on any privately owned lot or parcel in any zone and must conform to size regulations outlined in the City Code. No such sign shall be erected on or in any public property or public right-of-way. Please see **Sec. 16-3-210. - Temporary signs, Sec. 16-3-220. - Prohibited Signs** of the City Code available on the City's website for specific regulations.

If you should have any questions about placement of campaign signs along City Streets and rights-of-of-way please contact John Reynolds, Support Services Supervisor with the Police Department at 303-7832712 or jreynolds@cherryhillsvillage.com. We sincerely hope that candidates for public office will observe the laws and regulations. Please inform everyone involved in your campaign of this information and placement of your signs.

Thank you in advance for your courtesy in this matter.

Chris Cramer, City Manager
